Low Lint / Paint SGN13MT Series Glove

Product Description

Features and Benefits:

- This series targets work areas requiring low lint and clean areas such as paint and engine departments.
- The SGN13MT series is a medium weight, 13 gauge, 100% domestic white nylon glove. It is silicone-free.
- The SGN13MT series is created using a thermal heat-set yarn in the cuff to minimize any errant particulate used by traditional surging.
- The glove includes a 4" cuff reducing bare wrist exposure. Cuffs are color coded by size for easy identification and visual compliance.
