Style 1400

IF THEY CHEAT WHEN THEY WEAR IT, IT'S NOT COMPLIANT.

Safety vests produced using GlenGuard Hi-Vis offer patented “no melt, no drip” technology, and as part of our family of FR protective fabrics, GlenGuard Hi-Vis vests offer unrivaled arc flash and flash fire protection.

GlenGuard introduces style 1400, a new brighter mesh fabric that passes ANSI/ISEA 107-2010.
