

# Low Lint / Paint

## TSG-397 Series

### Description:

The TSG-397 is a 13 gauge, reversible, silicone-free, heavy weight seamless string knit glove. It is made with domestic polyester and has a 2" cuff with an overcast edge.

### Properties:

The TSG-397 series cuff is overcast using a thermal heat-set yarn to minimize any errant particulate used by traditional surging.

This series can be laundered, providing cost saving opportunities.

### Recommended:

Tri-Star Glove developed the TSG-397 series for the demanding standards of the automotive paint environment. The TSG-397 has proven to be the glove of choice with our thermal X-yarn color-coded cuff edge.

*It is also available in black domestic polyester, the TSG-397-B.*
